

# Learn to Fly

## Ituana

Run and tell all of the angels  
This could take all night  
Think I need a devil to help me get things right  
Look me up a new revolution  
'Cause this one is a lie  
We sat around laughing and watched the last one die  
Now I'm looking to the sky to save me  
Looking for a sign of life  
Looking for something to help me burn out bright  
I'm looking for complication  
Looking 'cause I'm tired of lying  
Make my way back home when I learn to fly high  
I think I'm done nursing the patience  
I can wait one night  
I'd give it all away if you give me one last try  
We'll live happily ever trapped if you just save my life  
Run and tell the angels that everything is alright  
And I'm looking to the sky to save me  
Looking for a sign of life  
Looking for something to help me burn out bright  
I'm looking for a complication  
Looking 'cause I'm tired of trying  
Make my way back home when I learn to fly  
Make my way back home when I learn to fly  
Away with me I can't quite make it alone  
Try and make this life my own  
Fly away with me I can't quite make it alone  
Try to make this life my own  
I'm looking to the sky to save me  
I'm Looking for a sign of life  
Looking for something to help me burn out bright  
I'm looking for a complication  
Looking 'cause I'm tired of trying  
Make my way back home when I learn to  
Looking to the sky to save me  
Looking for a sign of life  
Looking for something to help me burn out bright  
I'm looking for a complication  
Looking 'cause I'm tired of trying  
Make my way back home when I learn to fly high  
Make my way back home when I learn to fly high  
Make my way back home when I learn to fly high
