I got a love that keeps on fighting
And keeps on
I got a heart that keeps on trying
And keeps on
We got these plans that keeps involved.

We got these plans that keeps involved

And keeps on

Even when I hopes is broken

We keep on People, that's so much for us to prove

So keep on

So much for us to do

We can start a revolution

You and me

I said start a revolution

Just you and me

Start a revolution

Start a revolution

I got a love that keeps on fighting

And keeps on

I got a heart that keeps on trying

And keeps on

People, tell me what you're gonna do

So keep on, show me what you're gonna choose

'Cause we can start a revolutionYou and me

I said start a revolution

Just you and me

Start a revolution

Just you and me

Start a revolution

People

Start a revolution
