

Sorry...

Allstar Weekend

Dot, dot, dot, dot, dot, dot
Dot, dot, dot, dot, dot, dot You keep on calling me up, crying, saying sorry, dot, dot, dot
Don't call me, not, not, not, sorry, dot, dot, dot
But I ain't buying all your lines, saying sorry, ah, ah, ah
Don't call me, not, not, not, sorry, dot, dot, dot Hey baby girl, I was stupid
Gave you my world but you excused me
You keep insisting, saying you miss me
But you can't miss me with the things that you do N-n-no more callin' me, w-w-why you
bugging me?
Your sorry that I saw through your lies
N-n-no more callin' me, n-n-now you ain't listening
There's nothing that can change my mind
You keep on calling me up, crying, saying sorry, dot, dot, dot
Don't call me, not, not, not, sorry, dot, dot, dot
But I ain't buying all your lines, saying sorry, ah, ah, ah
Don't call me, not, not, not, sorry, dot, dot, dot But you should know I used to trust ya
You got to go, I hate to hush ya
And now your crying, c-call me, crying
But I'm all done crying for you N-n-no more callin' me, w-w-why you bugging me?
Your sorry that I saw through your lies
N-n-no more callin' me, n-n-now you ain't listening
There's nothing that can change my mind You keep on calling me up, crying, saying sorry, dot,
dot, dot
Don't call me, not, not, not, sorry, dot, dot, dot
But I ain't buying all your lines, saying sorry, ah, ah, ah
Don't call me, not, not, not, sorry, dot, dot, dot
So let's go, let's go separate ways
You and me we had our days
It's okay so don't you say sorry, dot, dot, dot
You can leave me, it's alright Not wasting my time on lies
I got things to do tonight sorry, dot, dot, dot She says I'm sorry, dot, dot, dot
No, you ain't sorry, dot, dot, dot
She's like I'm sorry, dot, dot, dot
Don't give me sorry, dot, dot, dot You keep insisting, saying you miss me
But you can't miss me with the things that you do You keep on calling me up, crying, saying
sorry, dot, dot, dot
Don't call me, not, not, not, sorry, dot, dot, dot
But I ain't buying all your lines, saying sorry, ah, ah, ah
Don't call me, not, not, not, sorry, dot, dot, dot You keep on calling me up, crying, saying sorry,
dot, dot, dot
Don't call me, not, not, not, sorry, dot, dot, dot
But I ain't buying all your lines, saying sorry, ah, ah, ah

Don't call me, not, not, not, sorry, dot, dot, dot, dot, dot
