

# Bittersweet

## Fantasia

Every now and then  
I still get a flashback  
Of the time I spent Thinking you could be that one  
Should I have just kept your love  
Yes I understand We done some good times  
On the other hand Kept me crying all night  
It was too much for my mind  
So even though I left you  
I can't forget you 'Cause when I think about you  
It's bittersweet, it's bittersweet  
Guess I'll always love you  
It's bittersweet, it's bittersweet  
When we were together  
You ain't treat me right Damn I really love ya  
I ain't gonna lie  
'Cause when I think about you It's bittersweet...  
I still have a box  
Full of things you gave me Start to throw it out  
Something always stops me, yeah Im not as over you as I say  
Oohh deep inside my heart  
I made the right decision  
But it's kinda hard When your mind is thinking, ohhh  
Did I make a big mistake?  
Even though I left you  
Cant forget you  
'Cause when I think about you  
It's bittersweet, it's bittersweet Guess I'll always love you  
It's bittersweet, it's bittersweet  
When we were together  
You ain't treat me right Damn I really love ya  
I ain't gonna lie  
When I think about you  
It's bittersweet...(Break down talk)  
See you have understand that Somebody is gonna get hurt  
Out of this situation  
And you just hope it's not you  
At times...Part of me wants you, part of me don't  
Part of me is missing you, part of me is gone  
Part of me is saying that the love is still strong  
Part of me is letting go  
So even though I left you  
Can't forget you

Ohh when I think about you ayy  
It's bittersweet, it's bittersweet  
Guess I'll always love you  
It's bittersweet, it's bittersweet  
When we were together  
You ain't treat me right  
Damn I really love ya  
I ain't gonna lie  
When I think about you, it's bittersweet  
It's bittersweet...
