

Ocean Drive

21 Savage & Metro Boomin

21, yeah

Real street nigga

21

Know what I'm sayin'?

Young nigga done been through some shit man

Now a young nigga on top man

But I still got that Glock man

Still let that motherfucker pop man

21

See Savage he be with them apes

Play with this shit, you get ate

Bitch I be covered in Bape

Bitch I be covered in Bape

You know I keep me a K

You know I keep me a Draco

Rap a nigga like an eggroll

Big bullets leave a big hole

I was raised by the G code

Don't bend, nigga don't fold

My uncle taught me how to scrape the bowl

And my auntie still smokin' blow

Came from nothin', nigga we was poor

Evection notices all on the door

Take out trash for some school clothes

I'm the one that the streets choose

Now I'm on Ocean Drive sipping codeine with the top down

20 grand on me, lot of jewelry and a Glock nine

Got my own money, pussy nigga I did not sign

Say Young Savage name in a song, it's some shots fired

I'm on Ocean Drive sipping codeine with the top down

20 grand on me, lot of jewelry and a Glock nine

Lot of jewelry and a Glock nine

Lot of jewelry and a Glock nine

I'm on Ocean Drive sipping codeine with the top down

20 grand on me, lot of jewelry and a Glock nine

Lot of jewelry and a Glock nine

Lot of jewelry and a Glock nine I can't leave the house without my Glock nine

I can't go nowhere without my Glock nine

I'm sippin' codeine all on Ocean Drive

Poppin' percocets on Rodeo Drive

Baby roll the window up and let's get high

You ain't no real nigga if you testify

I don't have to question where my niggas ride
If you gotta question, they ain't on your side
Plenty late nights I made my mama cry
Shootouts in apartments made my mama cry
Seen my niggas in a hearse, I Stevie Wonder-ed why
Retaliation, let 'em [?] like it's the Fourth July Now I'm on Ocean Drive sipping codeine with
the top down
20 grand on me, lot of jewelry and a Glock nine
Got my own money, pussy nigga I did not sign
Say Young Savage name in a song, it's some shots fired
I'm on Ocean Drive sipping codeine with the top down
20 grand on me, lot of jewelry and a Glock nine
Lot of jewelry and a Glock nine
Lot of jewelry and a Glock nine
I'm on Ocean Drive sipping codeine with the top down
20 grand on me, lot of jewelry and a Glock nine
Lot of jewelry and a Glock nine
Lot of jewelry and a Glock nine
