

Horny Toad

Prince

If I had your number
I'd call u on the phone
I'd breathe a little heavy, (...) word baby don't start to groan*** (Actual lyrics are...)***
I'd breathe a little heavy, if that didn't work, maybe I'd start to groan I don't love u
I'm just a horny toad I don't want your money
'Cause I got all I need
All I want is to rub your body until u start to bleed
I don't love u
I'm just a horny toad If I had your address
I'd come right 2 your door
I'd knock all day till u let me in and then I'd knock some more I ain't crazy
I'm just a horny toad If u think I'm nasty
U ain't seen nothing yet
Y'see I'm the kinda brother that the more u scream the nastier I get I can't help it
I'm just a horny toad Now watch me dance!
Run go tell your boyfriend
That his loving done got too old
Might as well pack his things and get his dead ass on the road Tell him u live on a lilly pad
With a horny toad
