

# Black Out Days (feat. Danny Brown)

## Phantogram

Hide the sun  
I will leave your face out of my mind  
You should save your eyes  
A thousand voices howling in my head Speak in tongues  
I don't even recognize your face  
Riddle on the wall  
Tell me all the ways to stay away Ey ey ey ah  
Away ey ah  
Away ey ah  
And stay  
Away ey ah  
Away ey ah  
Away ey ah  
Dig a hole  
Fireworks exploding in my hands  
If I could paint the sky  
All the stars would shine upon in red Stay  
Ey ey ey ah  
Away ey ah  
Away ey ah  
And stay  
Ey ey ey ah  
Away ey ah  
Away ey ah  
And stay (I'm hearing voices all the time up in my mind)  
Away ey ah  
Away ey ah  
Away ey ah (I'm hearing voices and they're hunting my mind)  
And stay (I'm hearing voices all the time up in my mind)  
Away ey ah  
Away ey ah  
Away ey ah (I'm hearing voices and they're hunting my mind) Black out days  
I don't recognize you anymore
