

Controlla

Drake

Right, my yiy just changed
You just buzzed the front gate
I thank God you came
How many more days could I wait?
I made plans with you
And I won't let em fall through
I, I, I, I, I think I'd lie for you
I think I'd die for you
Jodeci "Cry For You"
Do things when you want me to
Like controlla, controlla
Yeah, like controlla, controlla
Yeah, okay, you like it
When I get, aggressive, tell you to
Go slower, go faster
Like controlla, controlla
Yeah, like controlla, controlla And I'm never on a waste ting shorty
I do it how you say you want it
Them girls, they just wanna take my money
They don't want me to give you nothing
They don't want you to have nothing
They don't wanna see me find your lovin'
They don't wanna see me
Smiling back when they preen Knowing I'd lie for you
Thinking I'd die for you
Jodeci "Cry For You"
Do things when you want me to
Like controlla, controlla
Yeah, like controlla, controlla
Gyal a tear off mi garments
And a bawl fi come inna mi apartment (Woi!)
Di gyal dem want di length and strength
Action speak louder than argument well But you can't just diss and come tell me sorry
You can't listen to me talk and go tell my story
Nah, it don't work like that when you love somebody
My old flex is my new flex now and we're workin' on it, yeah
And that's why I need all the energy that you bring to me
My last girl would tear me apart, but she'd never wanna split a ting with me
But when it comes to you, you I think I'd lie for you
I think I'd die for you
Jodeci "Cry For You"
Do things when you want me too

Like controlla, controlla
Yeah, like controlla, controlla, yeah And I'm never on a waste ting shorty
I do it how you say you want it
Them girls, they just wanna take my money
They don't want me to give you nothing
They don't want you to have nothing
They don't wanna see me find your lovin'
They don't wanna see me
Smiling back when they preen
Jeez! Music a drop
Gyal a whine up dem bumpa
Dis is di summa summa controlla alert
Drake from Canada, Beenie Man from Jamaica
Dem wa hear murda!
Zaga
