## Trouble

## **Coldplay**

Oh no, I see A spider web is tangled up with me And I lost my head The thought of all the stupid things I'd said Oh no, what's this? A spider web, and I'm caught in the middle So I turned to run The thought of all the stupid things I'd doneAnd I never meant to cause you trouble I never meant to do you wrong I, well if I ever caused you troubleOh no, I never meant to do you harmOh no, I see A spider web and it's me in the middleSo I twist and turn But here am I in my little bubble Singing, I never meant to cause you trouble I never meant to do you wrong I, well if I ever caused you trouble Oh no, I never meant to do you harm They spun a web for me They spun a web for me They spun a web for me Song Discussions is protected by U.S. Patent 9401941.
