The Look

Metronomy

You're up and you'll get down You're never running from this town Kind of think you said "You'll never get anything better than this" 'Cause you're going 'round in circles And everyone knows you're trouble'Cause you read it in a big book And now you're giving me the look, look But just remember how we shook, shook And all the things we took, took This town's the oldest friend of mine Get up and we get down We're always running 'round this town And to think they said We'd never make anything better than this 'Cause we're always in small circles And everyone thinks we're trouble We didn't read it in a big book (We didn't read it in a big book, big book, big book) And now we're giving you the look, look (Giving you the look, ah, giving you the look, ah-ah) Just remember how we shook, shook (Shook, shook, shook, shook) And all the things we took, took (Took, took, took, took) (This town, this town) This town's the oldest friend of mineThis town, this town, this town Song Discussions is protected by U.S. Patent 9401941.
