

# Honeymoon Avenue

## Ariana Grande

I looked in my rear view mirror and  
It seemed to make a lot more sense  
Than what I see ahead of us  
Ahead of us  
yeah  
I'm ready to make that turn  
Before we both crash and burn  
Cause that could be the death of us  
The death of us  
Baby you know how to drive in rain  
And You decided not to make a change  
Stuck in the same old lane  
Going the wrong way home I feel like my heart is stuck in  
bumper to bumper  
Traffic, I'm under  
pressure  
cause I can't have you  
The way that I want  
Let's just go back to the way it was When we were on  
Honeymoon Avenue  
Honeymoon Avenue  
Baby  
coastin' like crazy  
Can we get back to the way it was  
Hey  
What happened to the butterflies  
Guess they didn't count at that stop sign  
And my heart is at a yellow light  
A yellow light  
Hey  
Right when I think that we found it  
Well that's when we start turnin' around  
You're saying baby don't worry  
But we're still going the wrong way Baby you know how to drive in rain  
And you decided not to make a change  
Stuck in the same old lane  
Going the wrong way home I feel like my heart is stuck in  
bumper to bumper  
Traffic, I'm under  
pressure  
cause I can't have you  
The way that I want

Let's just go back to the way it was When we were on  
Honeymoon Avenue  
Honeymoon Avenue  
Baby  
coastin' like crazy

Can we get back to the way it was They say only fools fall in love  
Well they must've been talking about us  
And sometimes I feel like  
I've been here before  
I could be wrong, but I know I'm right  
We gon' be lost  
if we continue to fight  
Honey I know

Yeah, we can find our way home I feel like my heart is stuck in  
bumper to bumper  
Traffic, I'm under  
pressure  
cause I can't have you  
The way that I want

Let's just go back to the way it was When we were on  
Honeymoon Avenue  
Honeymoon Avenue  
My baby  
coastin' like crazy

Can we get back to the way it was When we were on  
Honeymoon Avenue  
Honeymoon Avenue  
Baby  
coastin' like crazy

Can we get back to the way it was Baby you know how to drive in rain  
And you decide not to make a change  
Stuck in the same old lane

Going the wrong way home I feel like my heart is stuck in...  
Traffic, I'm under...  
Pressure  
Pressure

Let's just go back to the way it was  
When we were on  
(Honeymoon Avenue)  
(Honeymoon Avenue)  
(Honeymoon Avenue)  
(Honeymoon Avenue)  
(Avenue)

Let's just go back  
Back, back, back
