

Underwear

The Magnetic Fields

A pretty girl in her underwear.
A pretty girl in her underwear...
If there's anything better in this world -- who cares? La mort, c'est la mort,
Mais l'amour, c'est l'amour.
La mort, c'est seulement la mort,
Mais l'amour, c'est l'amour. A pretty boy in his underwear...
A pretty boy in his underwear...
If there's a better reason to jump for joy -- who cares?
La mort, c'est la mort,
Mais l'amour, c'est l'amour.
La mort, c'est seulement la mort,
Mais l'amour, c'est l'amour.
