

# The Man Who Sold the World

Lulu

We passed upon the stair,  
We spoke of was and when  
Although I wasn't there,  
He said I was his friend  
Which came as some surprise  
I spoke into his eyes  
I thought you died alone,  
A long, long time ago Oh no, not me  
I never lost control  
You're face to face  
With the man who sold the world  
I laughed and shook his hand,  
And made my way back home  
I searched for form and land,  
For years and years I roamed  
I gazed a gazely stare  
At all the millions here  
We must have died alone,  
A long, long time ago Who knows? Not me.  
We never lost control  
You're face to face  
With the man who sold the world Who knows? Not me .  
We never lost control  
You're face to face  
With the man who sold the world  
Who knows? Not me .  
We never lost control  
You're face to face  
With the man who sold the world Who knows? Not me .  
We never lost control  
You're face to face  
With the man who sold the world
