

# Takin' Pills

## Pistol Annies

She's on the highest dose of prozac a woman can take,  
She's likes to pop her pain pills with every little ache,  
She's got a Tennessee mountain point of view,  
If your gonna have one might as well have two Raised up right in the hills of Kentucky,  
No she ain't gonna smile til she lights up her lucky,  
No filter on her mouth or her cigarettes  
Oh baby what your lookin' at is what you get Ya we owe 400 dollars to the boys in the band  
Gas lights blinking on our broke down van  
We're living on truck stop burgers and fries  
Crossing our fingers for a vacancy sign  
Now who in the hell is gonna pay these bills  
When one's drinking, ones smoking, ones taking pills  
She's a root tootin' pistol from the lonestar state  
She's mixes up a double at the break of everyday  
She might get crazy but she don't get mean  
Until some drunk cowboy asks her to sing Ya we owe 400 dollars to the boys in the band  
Gas lights blinking on our broke down van  
We're living on truck stop burgers and fries  
Crossing our fingers for a vacancy sign  
Now who in the hell is gonna pay these bills  
When one's drinking, one's smoking, one's taking pills Now we ain't ashamed of who we are  
We like fast men and cheap guitars  
Ain't trying to get rich just trying to get by  
By playing for tips on a saturday night  
We owe 400 dollars to the boys in the band  
Gas lights blinking on our broke down van  
We're living on truck stop burgers and fries  
Crossing our fingers for a vacancy sign  
Now who in the hell is gnona be pay these bills  
When one's drinking, one's smoking, one's taking pills
