

# Another One Bites the Dust

## Rockabye Baby!

Steve walks warily down the street  
The brim pulled way down low  
And ain't no sound but the sound of his feet  
Machine guns ready to go  
Are you ready hey, are you ready for this  
Are you standing on the edge of your seat  
Out of the doorway the bullets rip  
To the sound of the beat, yeah, yeah, yeah, sing it  
Another one bites the dust  
Another one bites the dust, hey  
And another one gone, and another one gone  
Another one bites the dust  
Hey, I'm gonna get you too  
Another one bites the dust  
How do you think I'm going to get along  
Without you, when you're gone?  
You took me for everything that I had  
You kicked me out on my own  
Are you happy? Are you satisfied?  
How long can you stand the heat?  
Out of the doorway the bullets rip  
To the sound of the beat, yeah, yeah, yeah  
Another one bites the dust  
Another one bites the dust  
And another one gone, and another one gone  
Another one bites the dust  
Hey, gonna get you too  
Another one bites the dust  
Another one bites the dust yeah  
Another one bites the dust  
Another one bites the dust yeah, yeah  
Another one bites the dust yeah, yeah  
Another one bites the dust yeah  
Another one bites the dust yeah  
Yeah, yeah  
Yeah, yeah  
Give me yeah yeah  
Yeah, yeah  
Yeah, yeah  
Yeah, yeah  
Yeah, yeah  
Yeah, yeah  
Yeah, yeah  
Another one bites the dust  
Another one bites the dust  
Hey, another one bites the dust yeah  
Another one bites the dust yeah  
Bites the dust  
Bites the dust

Bites the dust  
Bites the dust Yeah  
Yeah  
Yeah  
Yeah Another one bites the dust  
Another one bites the dust  
Another one bites the dust  
Another one bites the dust  
Yeah, yeah, yeah There are plenty of ways you can hurt a man  
And bring him to the ground  
You can beat him, you can cheat him  
You can treat him bad and leave him when he's down Is he ready, is he ready for you  
I'm standing on my own two feet  
Out of the doorway the bullets rip  
Repeating the sound of the beat Another one bites the dust  
Another one bites the dust, hey  
And another one gone, and another one gone  
Another one bites the dust  
Hey, I'm gonna get you too  
Another one bites the dust Yeah, yeah  
Alright  
Yeah, yeah, yeah  
Yes
