Astronaut

Simple Plan

Can anybody hear me? Am I talking to myself? My mind is running empty In the search for someone else Who doesn't look right through me It's all just static in my head Can anybody tell me why I'm lonely like a satellite?'Cause tonight I'm feeling like an astronaut Sending S.O.S from this tiny box And I lost all signal when I lifted up Now I'm stuck out here and the world forgotCan I please come down? (Come down) 'Cause I'm tired of drifting round and round (And round) Can I please come down? I'm deafend by the silence Is it something that I've done? I know that there are millions I can't be the only one who's so disconnected It's so different in my head Can anybody tell me why I'm lonely like a satellite?'Cause tonight I'm feeling like an astronaut Sending S.O.S from this tiny box And I lost all signal when I lifted up Now I'm stuck out here and the world forgotCan I please come down? (Come down) 'Cause I'm tired of drifting round and round (And round) Can I please come down?Now I lie awake and scream in a zero gravity And it's starting to weigh down on me Let's abort this mission now Can I please come down? So tonight I'm calling all astronauts All the lonely people that the world forgot If you hear my voice come pick me up Are you out there?'Cause you're all I've got!And tonight I'm feeling like an astronaut Sending S.O.S from this tiny box And I lost all signal when I lifted up Now I'm stuck out here and the world forgot'Cause tonight I'm feeling like an astronaut Sending S.O.S from this tiny box To the lonely people that the world forgot Are you out there? Cause you're all I've got! Can I please come down? (Please, please, please come down) Cause I'm tired of drifting round and round (tired of drifting round) Can I please come down? (Please, please, please come down) Can I please come down? Can I please come down?
