

It Must Be Love

Madness

I never thought I'd miss you
Half as much as I do
And I never thought I'd feel this way
The way I feel about you
As soon as I wake up every night every day
I know that it's you I need
To take the blues away It must be love, love, love
It must be love, love, love
Nothing more, nothing less
Love is the best
How can it be
That we can
say so much without words
Bless you and bless me
Bless the bees and the birds
I've got to be near you every night, every day
I couldn't be happy any other way It must be love, love, love
It must be love, love, love
Nothing more, nothing less
Love is the best Instrumental
As soon as I wake up every night every day
I know that it's you I need
To take the blues away It must be love, love, love
It must be love, love, love
(repeat to fade)
