

I Want You (feat. After 7)

Babyface

Don't need no conversation
Won't waste my time explaining
You know just how I feel bout you don; t you
Don't need no confirmation
You know what I be thinking
I've always had a thing for you, just for you girlGirl I've seen beautiful
But not like you before
Can't take this anymore
So if this is the last thing that I do
I will be with you
Cause I want you
I want you
I want you
I want you girl
And all there is of you
Every part of you
I want you and I want you
OhThere be no mistaking
I'm running out of patience
I'm done anticipating you, I want you girl
Your heart your mind your soul your body under my control
After 7:]
At this point there is nothing I won't do, for you baby
Girl I've done beautiful
But not like yours before
Not waiting anymore
So if this is the last thing that I do
I will be with you
Cause I want you
I want you
I want you
I want you girl
And all there is of you
Every part of you
I want you and I want you
OhNow baby did I fail to mention
That I got the best intentions
That I'll be yours until the end of time
I want you
I want you
I want you girl
I want youCause I want you

I want you
I want you
I want you girl
And all there is of you
Every part of you
I want you and I want you
OhGirl you best believe it
I want youCause I want you
I want you
I want you
I want you girl
And all there is of you
Every part of you
I want you and I want you
Oh
