

# Promise

Ben Howard

And meet me there Bundles of flowers we wait through the hours of cold Winter shall howl at the  
walls  
tearing down doors of time Shelter as we go  
Mmmmmmm  
And promise me this  
you'll wait for me only  
scared of the lonely arms  
Surface  
Far below these words  
Mmmmm  
Maybe  
Just maybe  
I'll come home  
Who am I  
Darling to you  
Who am I?  
Going to tell you stories of mine  
Who am I?  
Who am I  
Darling for you  
Who am I?  
Could be a burden in time  
lonely  
Who am I  
To you  
Who am I  
Darling for you  
Who am I?  
Going to be a burden  
Who am I  
Darling to you  
Who am I?  
I come alone here  
I come alone here  
Hmmmm
