

Don't Believe In Love

Dido

I wanna go to bed
With arms around me
But wake up on my own
Pretend that I'm still sleeping
Till you go home I can't look at you this morning
I should probably have a sign
That says, 'Leave right now or quicker'
You've overstayed your time If I don't believe in love
Nothing will last for me
If I don't believe in love
Nothing is safe for me
When I don't believe in love
You're too close to me
And that's why you have to leave
Maybe I slept peaceful on your shoulder
Your arm warm around my side
But it's different now, it's morning
And I can't face your smile The second that I feel your safe hands
Reaching out for mine
I slip away and out of sight
You've overstayed your time If I don't believe in love
Nothing is good for me
If I don't believe in love
Nothing will last for me
When I don't believe in love
Nothing is new for me
Nothing is wrong for me
And nothing is real for me
If I don't believe in love
Nothing is good for me
If I don't believe in love
Nothing will last for me
When I don't believe in love
Nothing is new for me
Nothing is wrong for me
And nothing is real for me If I don't believe in love
What do you get from me?
When I don't believe in love Nothing is real for me
If I don't believe in love
You're getting too close to me
And that's why you have to leave
And that's why you have to leave If I don't believe in love

If I don't believe in love
If I don't believe in love
Nothing is left for me
If I don't believe in love
You're too good for me
