

Never Let Me Go

Luther Vandross

just let me love you tonight
forget about tommorow
my darling wont you hold me tight
and never let me goDry your eyes
no tears, no sorrow
cling to me with all your might
and never let me goA million times or more
we said we'd never part
but lately I find
your a stranger in my heart
give me the right
in summer or in spring time
to tell the world that your mine
and never let me go
and never let me go
