

Hollywood (feat. Snoop Dogg & Jamie Principle)

[Gorillaz](#)

[Verse 1: Jamie Principle]

Where the beautiful people at?

I said where the beautiful people at?

[...] people clap your hands

People clap your hands

Everybody clap your hands [Chorus: 2D and (Jamie Principle + Choir)]

Hollywood is alright

Hollywood is playground

Kerosene and gunfire

Makes you feel alive

Makes you feel alive

(She's a wonderful thing)

Kerosene and gunfire

Take you all the way

[...]

[Verse 2: Jamie Principle]

I'ma go walking

All the way to the hill

But you never know what's real

So you have to be prepared

You have to be ready

You have to be ready

For she can be a bitch

It's just a wonderful thing

Hollywood

She's so seductive

She's got me looking for that dream

I bow down

She knows how to do it

Exactly the way I like it

[Chorus: 2D and (Jamie Principle + Choir)]

Hollywood is alright

Hollywood is playground

Kerosene and gunfire

Makes you feel the vibe

(She's a wonderful thing)

Kerosene and gunfire

Takes you all the way

[...][Verse 3: Snoop Dogg]

When I came through with that big fat chain on my neck

Little did they know, no sweat
So my ding-dong ringed out and cracked the glass
Twenty-five pounds, can you match that ass?
Cause if you don't, raise up
I got a deal to make
And couple of bad bitches I've been making a break
Wake it and bake
I put the cake on the plate
Jealousy and me? Oh, we're making the day
Don't vibe with this, Hollywood, nigga won't survive this shit
I do that, did that, blow your fuckin' wig back
Forreal-a, gorilla, whole club's goin' down
They wanna eye me down, tie me down, lock me up
But I'm [?] [...dog pound?]
[?][Chorus: 2D and (Jamie Principle + Choir)]
Hollywood is alright

Kerosene and gunfire

She knows how to excite me[Outro: Jamie Principle + (Choir)]
