

# Make It To Heaven (with Raye)

David Guetta & MORTEN

If I take one more shot  
If you take one more shot  
Ooh-ooh-ooh, baby  
We might just make it to heaven  
If you stay up all night  
If I stay up all night  
Ooh-ooh-ooh, baby  
We might just make it to heaven  
To heaven  
We might just make it into heaven  
If I take one more shot  
If you take one more shot  
Ooh-ooh-ooh, baby  
We might just make it to heaven  
If you stay up all night  
If I stay up all night  
Ooh-ooh-ooh, baby  
We might just make it to heaven  
Ooh-ooh-ooh, baby  
Baby, one more song  
One more song, whoa, baby  
We might just make it to heaven  
To heaven  
We might just make it into heaven  
We might just make it into heaven  
We might just make it into heaven  
We might just make it into heaven
