

# Wish U Were Here (Digi Radio Edit)

Cody Simpson

Lately I got this feeling  
I dont know whats the meaning  
But I know its strong and its over you  
All I want is to be home with you Oh oh I'm coming right back  
Oh oh Livin without you is no no  
I'm coming right back  
Oh oh woahh I wish you were here  
Yeah, I wish you were here  
Music is better  
And lights are brighter when you are near  
Am I making it clear?  
The music is better  
And right now I just wish you were here Oh oh, oh oh oh Right now I just wish you were  
here Oh oh, oh oh oh Right now I just wish you were here  
At night, a different city  
Bright lights should be pretty All I want right now is to be home with you Oh oh I'm coming  
right back  
Oh oh Livin without you is no no  
I'm coming right back  
Oh oh woahh  
I wish you were here  
Yeah, I wish you were here  
Music is better  
And lights are brighter when you are near  
Am I making it clear?  
The music is better  
And right now I just wish you were here  
Oh oh, oh oh oh Right now I just wish you were here  
Oh oh, oh oh oh Right now I just wish you were here

Yeah, Becky G, hey  
I know its late, hold you about the phone  
Its so hard gettin by all alone  
So call me back, leave a message at the tone  
I know, you know, I know we can make it by  
Its been too long since Ive looked into your eyes  
And Im waitin, so hurry back  
Bring the shine boy  
You better follow the path  
Car, bus, train, go and get a cab  
Or just fly here, jet pack

I was a puzzle piece, but you solved me  
Our future, I see it so clear  
And right now...  
I wish you were here  
Yeah, I wish you were here  
Music is better  
And lights are brighter when you are near  
Am I making it clear?
