## Jeremih

[Chorus]

Oh, no

Oh oh whoa

Oh, no

I hope your not a sleeper, sleeper

(Me)

Yes you

Girl, how much can a sleeper dream, oh[Verse 1]

Yall ready

(Estas listo para mi)

Girl it's just your body

Makes me act this way

I, I, won't won't tell nobody

Don't care what they say

Either right here in this club

Or back up in my place

I, I, I'm gon see your love

Like shine up on my face

Girl you can bring a friend

If you wanna, if you wanna

Come & hop up on this benz

You a goner, a goner

I gotta speed the drive

I stay on 45

Yeah call that yellow light

So girl tonight

[Chorus]

I hope your not a sleeper, sleeper

(Me)

Cuz Imma have to keep ya

And pull up the shades

There's no better satisfaction

No better escape

Than to see a pretty love jones

And you can play this half  
If you wanna, you wanna
