

Ran Off In the Night

Echosmith

Won't you come away with me
 Won't you come
Won't you come away with me
 Won't you come
Won't you come away with me
Won't you come away Won't you come away with me
 Won't you come
Won't you come away with me
 Won't you come
Won't you come away with me
 Won't you come away
They were made for each other
 It was love at first sight
They were caught in the moment
 It was the end of the night
Well they were walking on such delicate ropes
Well they're talking of running off to the coast
 They were made for each other
 They run off in the night
She said to him Won't you come away with me
 Won't you come
 Won't you come away with me
 Won't you come
Won't you come away with me Won't you come away
 They were made for each other
 They knew it was right
 So sick of this ghost town
 So they ran off in the night
 She said to him
 Won't you come away with me
 Won't you come
 Won't you come away with me
 Won't you come
 Won't you come away with me
Won't you come away They're chasing the sun and it's light
 They're racing running all the red lights
 They're placing their trust in the night
 They're waiting, now waiting
 Won't you come away with me
 Won't you come away
 Won't you come away with me
 Won't you come

Won't you come away with me
 Won't you come
Won't you come away with me
 Won't you come away
