

# Fly

Hilary Duff

In a moment, everything can change  
Feel the wind on your shoulders  
For a minute, all the world can wait  
Let go of your yesterday Can you hear it calling  
Can you feel it in your soul  
Can you trust this longing  
And take control Fly  
Open up the part of you that wants to hide away  
You can shine  
Forget about the reasons why you can't in life  
And start to try  
Cause it's your time  
Time to fly  
All your worries, leave them somewhere else  
Find a dream you can follow  
Reach for something when there's nothing left  
And the world's feeling hollow Can you hear it calling  
Can you feel it in your soul  
Can you trust this longing  
And take control Fly  
Open up the part of you that wants to hide away  
You can shine  
Forget about the reasons why you can't in life  
And start to try  
Cause it's your time  
Time to fly  
And when you're down and feel alone  
Just wanna run away  
Trust yourself and don't give up  
You know you better than anyone else In a moment, everything can change  
Feel the wind on your shoulders  
For a minute, all the world can wait  
Let go of yesterdays Fly  
Open up the part of you that wants to hide away  
You can shine  
Forget about the reasons why you can't in life  
And start to try  
Start to  
Fly  
Forget about the reasons why you can't in life  
And start to try, 'cause it's your time  
Time to Fly

In a moment, everything can change
