

# Moment Of Truth

## Gang Starr

No matta wat we fyace  
We mus face de moment of trut baybe They say it's lonely at the top in whatever you do  
You always gotta watch motherfuckers around you  
Nobody's invincible no plan is foolproof  
We all must meet our moment of truth The same sheisty cats that you hang with and do your  
thang with  
could set you up and wet you up nigga peep the language  
It's universal, you play with fire it may hurt you  
or burn you, lessons are blessings you should learn through  
Let's face facts, although MC's lace tracks  
it doesn't mean behind the scenes there ain't no dirt to trace back  
That goes for all of us, there ain't nobody to trust  
It's like sabotage, it's got me ready to bust  
But I can't jeapordize, what I have done up to this point  
So I'ma get more guys, to help me run the whole joint  
Cultivate, multiply, motivate, or else we'll die  
You know I be the master of the who what where and why  
See when you're shinin, some chumps'll wanna dull ya  
Always selfish jealous punks, will wanna pull ya  
down, just like some shellfish in a bucket  
cause they love it, to see your ass squirm like a worm  
But just as you'll receive what is comin to you  
Everybody else is gonna get theirs too  
I ain't no saint, therefore I cannot dispute  
That everyone must meet their moment of truth  
Actions have reactions, don't be quick to judge  
You may not know the hardships people don't speak of  
It's best to step back, and observe with couth  
For we all must meet our moment of truth Sometimes you gotta dig deep, when problems come  
near  
Don't fear things get severe for everybody everywhere  
Why do bad things happen, to good people?  
Seems that life is just a constant war between good and evil  
The situation that I'm facin, is mad amazin  
to think such problems can arise from minor confrontations  
Now I'm contemplatin in my bedroom pacin  
Dark clouds over my head, my heart's racin  
Suicide? Nah, I'm not a foolish guy  
Don't even feel like drinking, or even gettin high  
Cause all that's gonna do really, is accelerate  
the anxieties that I wish I could alleviate  
But wait, I've been through a whole lot of other shit, before

So I oughta be able, to withstand some more  
 But I'm sweatin though, my eyes are turnin red and yo  
 I'm ready to lose my mind but instead I use my mind  
 I put down the knife, and take the bullets out my nine  
 My only crime, was that I'm too damn kind  
 And now some scandalous motherfuckers wanna take what's mine  
 But they can't take the respect, that I've earned in my lifetime  
 And you know they'll never stop the furious force of my rhymes  
 So like they say, every dog has it's day  
 And like they say, God works in a mysterious way  
 So I pray, remembering the days of my youth  
 As I prepare to meet my moment of truth  
 ("You should know the truth  
 And the truth shall set you free" -- from Who's Gonna Take the  
 Weight?)  
 Yo I got one lyric pointed at your head for start  
 Another one, is pointed at your weak ass heart  
 Now if I pull the trigger, on these fully loaded lines  
 You're gonna wish I woulda pulled a black nine, I mack dimes  
 Crack the spines of the fake gangsters  
 Yeah the bitin triflin niggaz, and the studio pranksters  
 Yo lookin at the situation plainly: will you remain G?  
 Or will you be looked upon strangely?  
 I reign as the articulator, with the greater data  
 Revolvin on the TASCAM much dooper than my last jam  
 While others struggle to juggle, tricky metaphors  
 I explore more, to expose the core  
 A lot of MC's, act stupid to me  
 And we have yet to see, if they can match our longevity  
 But anyway it's just another day  
 Another fake jack I slay with my spectac' rap display  
 Styles, smooth but rugged -- you can't push or shove it  
 You dig it and you dug it cause like money you love it  
 The king of monotone, with my own throne  
 Righteously violent prone my words bring winds like cyclones  
 Stormin your hideout, blockin out your sunlight  
 Your image and your business, were truly not done right  
 Throw up your he-Allah-I now, divine saviors  
 You got no hand skills there's no security to save ya  
 No pager, no celly, no drop top Benz-y  
 I came to bring your phony hip-hop, to an ending  
 My art of war will leave you sore from the abuse  
 Cause you must meet your moment of truth They say it's lonely at the top in whatever you do  
 You always gotta watch motherfuckers around you  
 Nobody's invincible no plan is foolproof  
 We all must meet our moment of truth
