

FLEX

Lil Yachty

And you hate when I do this shit
Skate with extended clips
House got too many whips
Let that hoe get something' fierce
I might ice my AK out
I might ice my steering wheel
Give that bitch the dick
Dickin' in like a power drill
I might cop a crib where the back got a Ferris wheel
Flex for the fuckboys
Hate cause you suck boy
Flex for the fuckboys
Hate cause you suck boy
You look just like a fuckboy
Flex for the fuckboys
Hate cause you suck boy
Flex for the fuckboys
Hate cause you suck boy
Bitch, yeah you stay up on my nuts, boy
Get your guap right
Get your mind right
Denim Japanese, waist is super tight
Fuck that bitch, Netflix and Chill
Let me crack like a seal
I got niggas servin' deals
To my niggas that shit real
404 'til I'm killed
Give a fuck 'bout how you feel, huh
My bitch love it
My bitch love poppin' pills
Why? 'Cause it makes her geek for real
Lil Boat
Flex for the fuckboys
Hate cause you suck boy
Flex for the fuckboys
Hate cause you suck boy
You look just like a fuckboy
Flex for the fuckboys
Hate cause you suck boy
Flex for the fuckboys
Hate cause you suck boy
Get her done, get her done, get her done
I was buyin' diamond, you was waitin' for tax refunds
Lame nigga, shame nigga, anything for fame nigga

Lame diamond chain nigga
Hate me 'cause my name bigger
Yeah, diamond rings too insane nigga
RIP to Kurt Cobain nigga
1993 I bring that pain nigga Flex for the fuckboys
Hate cause you suck boy
Flex for the fuckboys
Hate cause you suck boy
You look just like a fuckboy
Flex for the fuckboys
Hate cause you suck boy
Flex for the fuckboys
Hate cause you suck boy
