

# City 2 City (feat. Belle Humble)

## Zomboy

City to city, we're stepping on the same ground  
Make it loud, come listen to the sounds like  
    Woah, woah  
Open our eyes if your dying in the sunight  
try try, but dont always get it right like  
    Woah, woah...  
    (Wob wob wob wob...)(
