

# Fire

## Sleeping With Sirens

You made up your mind  
Right before the sound can move  
Softly from your lips  
You leave behind  
A choice which once before you thought you could not resist  
You give what you have when you  
Decide that you  
Keep burning like fire  
It's burning you down  
Sometimes they say this should feel something like fire  
'Til it burns you and you can't  
No you can't remain the same  
Stay the same, stay the same, stay the same  
I can't change  
You're losing your light  
Everything that was your's just does not exist  
So don't even try to say  
Sorry for the things in life that you might have missed  
You give what you have when you  
Decide that you  
Keep burning like fire  
It's burning you down  
Sometimes they say this should feel something like fire  
'Til it burns you and you can't  
No, you can't remain the same  
Stay the same  
Although you know  
They say this should feel something like fire  
No, I can't change  
Do what you wanna do  
Keep building it higher  
Keep burning it down  
You lose who you are when you  
Keep burning like fire  
Like it's all around  
What do you have to prove  
I'll die for you  
Keep burning like fire  
It's burning you down  
Sometimes they say this should feel something like fire  
'Til it burns you and you can't  
No, you can't remain the same  
Stay the same  
Although you know  
They say this should feel something like fire  
'Til it burns you and you can't  
No, you can't remain the same  
Stay the same, stay the same, stay the same
