

# Rainbow in the Dark

## Jorn

When there's lightning, you know it always brings me down  
'Cause it's free and I see that it's me  
Who's lost and never found  
I cry out for magic (magic), feel it dancing in the light  
It was cold, I lost my hold  
To the shadows of the night  
Alright!  
No sign of the morning coming  
You've been left on your own  
Like a rainbow in the dark  
A rainbow in the dark  
Do your demons, do they ever let you go?  
When you've tried, do they hide, deep inside  
Is it someone that you know  
We're just a picture, we're an image caught in time  
We're a lie, you and I  
We're words without a rhyme  
Yeah!  
There's no sign of the morning coming  
You've been left on your own  
Like a rainbow in the dark  
Just a rainbow in the dark,  
Yeah!

When I see lightning, you know it always brings me down  
'Cause it's free and I see that it's me  
Who's lost and never found  
Feel the magic, I feel it floating in the air  
But it's fear, and you'll hear  
It calling you beware  
Look out  
There's no sight of the morning coming  
There's no sight of the day  
You've been left on your own  
Like a rainbow  
Like a rainbow in the dark  
Just a rainbow in the dark  
A rainbow in the dark  
Yeah!  
No sign of the morning  
Just a rainbow in the dark  
Rainbow in the dark  
Just a rainbow in the dark

Rainbow in the dark  
Rainbow in the dark  
We're all rainbows in the dark,  
dark, dark dark!
