

Vagabond

Wolfmother

Oh, girl, I don't know all the reasons why, I found the answer lookin' in your eye.
I go out walking all day long,
Take away this lonely man, soon he will be gone.
'Cause I'll tell you everything about living free.
Yes, I can see you, girl, can you see me?
You don't need to know what I do all day, It's as much as I know, watch it waste away.
'Cause I'll tell you everything about living free.
Yes, I can see you, girl, can you see me?
Go and see the sorcerer, look into a ball, You might find the answer written on the wall.
The left one was a dancer, can you see the answer?
Oh!
Put her in a mansion on top of the hill,
Please don't make her do things against her will.
I found something special, I don't know why,
Looking into her pretty little eye.
'Cause I'll tell you everything about being free...
