Vagabond

Wolfmother

Oh, girl, I don't know all the reasons why,I found the answer lookin' in your eye.

I go out walking all day long,

Take away this lonely man, soon he will be gone.

'Cause I'll tell you everything about living free.

Yes, I can see you, girl, can you see me?

You don't need to know what I do all day, It's as much as I know, watch it waste away.

'Cause I'll tell you everything about living free.

Yes, I can see you, girl, can you see me?

Go and see the sorcerer, look into a ball, You might find the answer written on the wall.

The left one was a dancer, can you see the answer?

Oh!

Put her in a mansion on top of the hill,

Please don't make her do things against her will.

I found something special, I don't know why,

Looking into her pretty little eye.

'Cause I'll tell you everything about being free...
