

One of Those Days

Duran Duran

(One, two, one, two)
(One, two, one, two)
(One, two, one, two)
(One, two, one, two) Suddenly, it all looks so familiar
Gone and wrecked it like I always did
Don't you know it? life is out to kill ya
But you still go getting on with it Seen better times than right now
But I'm not running away
No nothing's gonna bring me down
It's just been one of those days
I'm not the only one They can drag me to the gates of Hell now
There's nothing left but I'm still hanging in
Not for me, ain't no final showdown
I'm too shattered to do anything Seen better times than right now
But I'm not running away
'Cause nothing's going to bring me down
It's just been one of those days I'm not the only one feeling this way
And I'm not sorry I'm not the only one feeling this way
And I'm not sorry not running away
I'm not the only one feeling this way
And I'm not sorry, I hear you say
And I'm not sorry
(One, two, one, two)
(One, two, one, two)
(One, two, one, two)
(One, two, one, two)
(One, two, one, two)
(One, two, one, two)
