## **Let's Dance (Single Version)**

## **David Bowie**

Put on your red shoes and dance the blues
Let's dance
To the song they're playin' on the radio
Let's sway

While colour lights up your face

Let's sway

Sway through the crowd to an empty spaceIf you say run

I'll run with you

And if you say hide

We'll hideBecause my love for you

Would break my heart in two

If you should fall into my arms

And tremble like a flower

Let's danceLet's danceFor fear your grace should fallLet's danceFor fear tonight is allLet's swayYou could look into my eyesLet's swayUnder the moonlight, this serious moonlightAnd if

you say run

I'll run with you

And if you say hide

We'll hideBecause my love for you

Would break my heart in two

If you should fall into my arms

And tremble like a flower

Let's dancePut on your red shoes and dance the bluesLet's swayUnder the moonlight, this serious moonlightLet's sway

Let's sway

Let's dance, let's dance, let's dance, let's...
