## Muscle Museum (Live from Le Zenith)

## Muse

She had something to confess to But you don't have the time So look the other way! You will wait until it's over To reveal what you'd never shown her Too little much too late!Too long trying to resist it You've just gone and missed it It's escaped your world Can you see that I am needing And begging for so much more Than you could ever give? And I don't want you to adore me Don't want you to ignore me When it pleases you! And I'll do it on my own!I have played in every toilet But you still want to spoil it To prove I've made a big mistakeToo long trying to resist it You've just gone and missed it It's escaped your world Can you see that I am needing And begging for so much more Than you could ever give? And I don't want you to adore me Don't want you to ignore me When it pleases you! And i'll do it on my own! Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
