sewed up  
They see my grill and like hold up, invisible set, princess cuts  
Purple drank I'ma po' up, got the rap game sewed up  
They see my grill and like hold up, invisible set, princess cutsHoes peep when I creep up the  
block  
Dope fiends beep me when they need some rocks  
Add 20 subtract the top  
I'm pimpin' hard in the parkin' lotScreens fall when I lean in the truck  
Candy paint, fo' screens on buck  
No game needed to pull a slut  
I just open mouth and show princess cuts  
I platinum mine at all times  
I shine a lot cause I grind for mine  
Why hate on me and you far behind  
Wastin' time by talkin' downYou can still trash and I'm in my prime  
You feelin' bad and I'm feelin' fine  
'Cause "Who is Mike Jones?" is here  
"Who is Mike Jones?" is hereI get you crunk when I open my mouth  
My diamonds shine every time I talk  
I spit a verse here straight to the folk  
Cause Mike Jones can't take a lossI get you crunk when I open my mouth  
My diamonds shine every time I talk  
I spit a verse here straight to the folk  
Cause Mike Jones can't take a loss  
Purple drank I'ma po' up, got the rap game sewed up  
They see my grill and like hold up, invisible set, princess cuts  
Purple drank I'ma po' up, got the rap game sewed up  
They see my grill and like hold up, invisible set, princess cutsM.O.B. 'til the day I go  
Got a Range Rov' on 80 4's  
On the microphone I shine and glow  
I scream my name 'til the day I go  
I hit the scene, 'llac candy greenOr candy blue when I'm with my crew  
I represent, we drink and screw  
I represent, we drink and screwMichael Watts, he choppin' it up  
Cocaine, I'm rockin' it up  
Yo' gal fine, I'm knockin' her up  
Yo' gal fine, I'm knockin' her upI got a plan, got in demand  
Now hit the road and start stackin' grands

I'm runnin' the game with my masterplan  
I'm runnin' the game with my masterplan 2 8 1, 3 3 oh, eight zero zero fo'  
Here's the number you can hit me on

When you call, ask for Mike Jones Purple drank I'ma po' up, got the rap game sewed up  
They see my grill and like hold up, invisible set, princess cuts  
Purple drank I'ma po' up, got the rap game sewed up  
They see my grill and like hold up, invisible set, princess cuts Purple drank I'ma grip and sip  
Anything illegal you know I'll flip  
I roll the slab with my pistol grip  
Diamonds shine from behind my lip I hit the club a hundred deep  
With a hundred sweets and a hundred freaks  
On the mic you can't compete  
'Cause Mike Jones is in the streets I'm grippin' grain, switchin' lanes  
Causin' pain in the turnin' lane  
In 7 months I'm runnin' the game  
Just ask the streets what is my name? I'm grippin' grain, switchin' lanes  
Causin' pain in the turnin' lane  
In 7 months I'm runnin' the game  
Just ask the streets what is my name? Purple drank I'ma po' up, got the rap game sewed up  
They see my grill and like hold up, invisible set, princess cuts  
Purple drank I'ma po' up, got the rap game sewed up  
They see my grill and like hold up, invisible set, princess cuts
