

Return of the Vampire

Mercyful Fate

VERY SPECIAL GUEST: Lars Ulrich
on drums

King Diamond)A suicide, the birth of a Vampire
Deep in his lair, gasping for airSpreaded wings
Fly out at sunset

So high above, back before dawnReturn of the Vampire

Leaving his lair

He's out for blood and it's yours
he will share

Return of the Vampire

Leaving his lair

He's out for blood and it's yours
he will share

There's only one way you can
stop him

You gotta trace the Vampire to
his lair, oh yeah

And then you gotta drive a stake

Right through the heart of the

living dead, the deadOh I can feel something is wrongVampire, My shadow is gone
Vampire, I know what you've
done

Vampire, My shadow is gone

Vampire, I know what you've

doneSolo: DennerSolo: ShermannSolo: Denner

Return of the Vampire

Leaving his lair

He's out for blood and it's yours
he will share

Return of the Vampire

Leaving his lair

He's out for blood and it's yours
he will shareA suicide, the birth of a Vampire
