

# Warrior

## Havana Brown

I am a fighter, it's in my DNA  
Step by step, and brick by brick, nobody stopping me  
Quit try to shoot me down, 'cause I'm invincible  
I think you made a mistake, I am warriorI stand like a soldier, yeah  
Strike like a tiger  
I stand like a soldier, yeah  
Punch like a championI'm gonna dance, dance, dance to the beat of my drum  
Gonna feel my blood running wild and young  
Gonna dance, dance, dance to the beat of my drum  
Like a warriorWarrior  
Warrior  
Warrior  
Warrior  
I am a blizzard, so don't get in my way  
I keep on blowing 'til there's nothing left in front of me  
You wanna take my crown, but I'm invincible  
You are a venomous snake, but I'm a warriorI stand like a soldier, yeah  
Strike like a tiger  
I stand like a soldier, yeah  
Punch like a championI'm gonna dance, dance, dance to the beat of my drum  
Gonna feel my blood running wild and young  
Gonna dance, dance, dance to the beat of my drum  
Like a warriorWarrior  
Warrior  
Warrior  
Warrior  
People can say what they wanna say  
When I'm in the ring, baby, I'm heavy-weight  
I'm not gonna run when I hear them call, hear them callI stand like a soldier, yeah  
Strike like a tiger  
I stand like a soldier, yeah  
Punch like a championI'm gonna dance, dance, dance to the beat of my drum  
Gonna feel my blood running wild and young  
Gonna dance, dance, dance to the beat of my drum  
Like a warriorWarrior  
Warrior  
Warrior
