

MANiCURE

Lady Gaga

Put some lipstick on
Perfume your neck and slip your high heels on
Rinse and curl your hair
Loosen your hips and get a dress to wear I'm the one who's
Been coming 'round looking to love in you
You're the medicine
I need to heal the way you make me feel I'm gon' be MANiCURED
You wanna be man cured
Ma-ma-ma-MANiCURE
She wanna be man cured Salon's enough for her
Not to feel so insecure
Ma-ma-ma-MANiCURE
She wanna be take care'n of
Can you feel it, can you feel it, can you feel it?
I'm addicted to the love that you garner
Can you feel it, can you feel it, can you feel it?
Looking serial killer, man is a goner Touch me in the dark
Put your hands all over my body parts
Throw me on the bed
Squeeze, tease me, please me, that's what I said 'Cause I'm the trick who's
Been coming 'round looking to love in you
You're the, the medicine
I need to heal the way, the way
The way you make me feel I'm gon' be MANiCURED
You wanna be man cured

She wanna be man cured
Salon's enough for her
Not to feel so insecure
Ma-ma-ma-MANiCURE
She wanna be take care'n of Can you feel it, can you feel it, can you feel it?
I'm addicted to the love that you garner
Can you feel it, can you feel it, can you feel it?
