

# Lithium

## Evanescence

Lithium, don't wanna lock me up inside  
Lithium, don't wanna forget how it feels without  
Lithium, I wanna stay in love with my sorrow  
Oh, but God I wanna let it go  
Come to bed, don't make me sleep alone  
Couldn't hide the emptiness, you let it show  
Never wanted it to be so cold  
Just didn't drink enough to say you love me  
I can't hold on to me  
Wonder what's wrong with me?  
Lithium, don't wanna lock me up inside  
Lithium, don't wanna forget how it feels without  
Lithium, I wanna stay in love with my sorrow  
I.  
Don't wanna let it lay me down this time  
Drown my will to fly  
Here in the darkness I know myself  
Can't break free until I let it go, let me go  
Darling, I forgive you after all  
Anything is better than to be alone  
And in the end I guess I had to fall  
Always find my place among the ashes  
I can't hold on to me  
Wonder what's wrong with me?  
Lithium, don't wanna lock me up inside  
Lithium, don't wanna forget how it feels without  
Lithium, stay in love with you  
Oh, I'm gonna let it go
