

# High Hopes

## Kodaline

Broken bottles in the hotel lobby  
Seems to me like I'm just scared of never feeling it again  
I know it's crazy to believe in silly things  
But it's not that easy I remember it now, it takes me back to when it all first started  
But I've only got myself to blame for it, and I accept it now  
It's time to let it go, go out and start again  
But it's not that easy But I've got high hopes, it takes me back to when we started  
High hopes, when you let it go, go out and start again  
High hopes, when it all comes to an end  
But the world keeps spinning around  
And in my dreams, I meet the ghosts of all the people who have come and gone  
Memories, they seem to show up so quick but they leave you far too soon  
Naïve I was just staring at the barrel of a gun  
And I do believe that, yeah But I've got high hopes, it takes me back to when we started  
High hopes, when you let it go, go out and start again  
High hopes, oh, when it all comes to an end  
Now the world keeps spinning  
Yeah, the world keeps spinning around  
High hopes, it takes me back to when we started  
High hopes, when you let it go, go out and start again  
High hopes, oh,  
And the world keeps spinning  
Ooh, yeah, this world keeps spinning How this world keeps spinning around
