

# ¿Viva la Gloria? (Little Girl)

## Green Day

Hey Gloria  
Are you standing close to the edge?  
Lookout to the setting sun  
The brink of your vision  
Eternal youth  
Is a landscape of the life  
The cracks of my skin can prove  
As the years will testify  
Say your prayers and light a fire  
We're going to start a war  
Your slogan's a gun for hire  
It's what we waited for Hey Gloria  
This is why were on the edge  
The fight of our lives been drawn to  
This undying love.  
Gloria, ¡viva la Gloria!  
Your blast your name  
In graffiti on the walls  
Falling through broken glass that's  
Slashing though your spirit  
I can hear it like a jilted crowd. Gloria, where are you Gloria?  
You found a home  
In all your scars and ammunition  
You made your bed in salad days  
Amongst the ruin  
Ashes to ashes of our youth  
She mashed her knuckles into winter (Gloria)  
As autumns wind fades into black  
She is the saint on all the sinners (Gloria)  
The one that's fallen through the cracks  
So don't put away your burning light  
Gloria, where are you Gloria?  
Don't lose your faith  
To your lost naivete  
Weather the storm and don't look  
Back on last November  
When your banners were burning down Gloria, ¡viva la Gloria!  
Send me your amnesty down  
To the broken hearted  
Bring us the season  
That we always will remember  
Don't let the bonfires go out

So Gloria  
Send out your message of the light  
That shadows in the light.  
Gloria, where's your undying love?  
Tell me the story of your life  
Your life!
