

# Damaged Goods

## Gang of Four

The change will do you good  
I always knew it would  
Sometimes I'm thinking that I love you  
But I know it's only lust  
Your kiss so sweet  
Your sweat so sour  
Your kiss so sweet  
Your sweat so sour  
Sometimes I'm thinking that I love you  
But I know it's only lust  
The sins of the flesh  
Are simply sins of lust  
Sweat's running down your back  
Sweat's running down your neck  
Heated couplings in the sun (Or is that untrue?)  
Colder couplings in the night (Never saw your body)  
Your kiss so sweet  
Your sweat so sour  
Sometimes I'm thinking that I love you  
But I know it's only lust  
The change will do you good  
I always knew it would  
You know the change will do you good  
You know the change will do you good  
Damaged goods, send 'em back  
I can't work, I can't achieve, send me back  
Open the till, give me the change you said would do me good  
Refund the cost, you said you're cheap but you're so smart  
Your sweat so sour  
Sometimes I'm thinking that I love you  
But I know it's only lust  
The change will do you good  
I always knew it would  
You know the change will do you good  
You know the change will do you good  
I'm kissing you goodbye  
I'm kissing you goodbye  
I'm kissing you goodbye  
Goodbye, goodbye, goodbye, goodbye, goodbye  
Goodbye, goodbye, goodbye  
Goodbye, goodbye, goodbye, goodbye, goodbye  
Goodbye, goodbye, goodbye
