Gold Skies (feat. Aleesia)

Sander van Doorn, Martin Garrix & DVBBS

See the smoke when the sun shines We will forever be faded under gold skies Captivated in your cold eyes We will forever be faded under gold skiesSee the smoke when the sun shines We will forever be faded under gold skies Captivated in your cold eyes We will forever be faded under gold skiesComing up, coming down Look at all this love we found Just the sun, feel me now We will live foreverComing up, coming down Look at all this love we found Just the sun. feel me now We will live forever Coming up, coming down Look at all this love we found Just the sun, feel me now We will live foreverComing up, coming down Look at all this love we found Just the sun, feel me now We will live foreverComing up, coming up, coming up Coming up, coming up, coming up Coming up, coming up, coming up Coming up, coming up, coming up...We will forever be faded under gold skiesComing up, coming down Look at all this love we found Just the sun, feel me now We will live forever Coming up, coming down Look at all this love we found Just the sun, feel me now We will live foreverComing up, coming down Look at all this love we found Just the sun, feel me now We will live foreverComing up, coming up, coming up Coming up, coming up, coming up Coming up, coming up, coming up Coming up, coming up...We will forever be faded under gold skiesWe will forever be faded under gold skies Song Discussions is protected by U.S. Patent 9401941.
