

Addicted

Saving Abel

I'm so addicted to
All the things you do
When you're going down on me
In between the sheets
Or the sound you make
With every breath you take
It's not like anything
When you're loving me Oh girl lets take it slow
So as for you
well you know where to go
I want to take my love
and hate you till the end It's not like you to turn away
From all the bullshit I can't take
It's not like me to walk away
I'm so addicted to
all the things you do
when you're going down on me
In between the sheets
Or the sound you make
With every breathe you take
It's not like anything
When you're loving me Yeah I know when it's getting rough
All the times we spend
When we try to make this love
something better than
Just making love again It's not like you to turn away
All the bullshit I can't take
Just when I think I can walk away,
I'm so addicted to
all the things you do
when you're going on me
In between the sheets
Or the sound you make
With every breathe
It's not like anything I'm so addicted to
the things you do
When you're going down on me
Or the sound you make
with every breath you take
It's not like anything
when you're loving me
Yeah

When you're loving me How can I make it through
All the things you do
There's just got to be more to you and me I'm so addicted to
all the things you do
When you're going down on me
In between the sheets
Or the sound you make
with every breath you take
It's not like anything
It's not like anything I'm so addicted to
All the things you do
When you're going down on me Or the sound you make
with every breath you take
it's not like anything
I'm so addicted to you
Addicted to you
