

Clara

Punch Brothers

Someday don't wake up
I want you to get some rest
Someday if she's hungry
I'll bring her to you Clara, once upon a time, your mother
Didn't love your father the best
But he made believe
That she did one day, it was true Go back to sleep, my daughter
Go back to sleep, my wife
I'm waiting for you there
Someday I wake up
And she's still a song to play
Someday but you're ready
To hear it's for you Clara, once upon a time, your father
Knew he'd scare your mother away
Singing lovers live in a dream
That keeps coming true Go back to sleep, my daughter
Go back to sleep, my wife
I'm waiting for you there It's gonna be a long night
It's gonna be a long night
And the sun may never shine
On what I think I've seen in your eyes
On what I think I've seen in your eyes
'Cause your eyes are not a window
Your eyes are not a window
Your eyes are not a window
They're a one way mirror to my soul Someday don't wake up
I want you to get some rest
