

# Take Me Away

## 28 Days

Take me back to yesterday  
Cause I'm not alright and it's not okay, no  
I know but I won't admit it  
Someone take me away I'm not ok So take me away  
See I just can't  
Cannot for endeavour  
Keep fighting the battle of whatever So take me away  
You won't take me away  
You won't take me away  
No, no it won't be okay, no  
Not for me anyway  
You won't take me away  
You won't take me away Take me back to yesterday  
Cause I'm not alright, it's not okay  
I don't want to talk about it  
So shut up I can do without it Won't take me today, you won't take me today  
You won't take me away  
No, no it won't be okay no not for me anyway You won't take me away  
You won't take me away Take me away Take me back to yesterday (take me back to yesterday)  
Take me back to yesterday (take me back to yesterday)  
Cause I'm not alright  
I'm not Okay  
I'm not alright  
I'm not okay  
I'm not okay  
I'm not alright  
I'm not okay  
I'm not alright And I'm not okay  
Today you won't take me  
Take me, take me away  
Away you won't save me, save me  
Save me today Cause I'm not alright  
And I'm not ok and it's not alright I'm not alright  
So take me away\*\* (From 28 Days album "Stealing Chairs")\*\*
