Fearless (Taylor's Version)

Taylor Swift

There's something about the way the street looks when it's just rained There's a glow off the pavement, you walk me to the car And you know I want to ask you to dance right there In the middle of the parking lot, yeah We're drivin' down the road, I wonder if you know I'm trying so hard not to get caught up now But you're just so cool, run your hands through your hair Absentmindedly makin' me want youAnd I don't know how it gets better than this You take my hand and drag me headfirst, fearless And I don't know why but with you I'd dance In a storm in my best dress, fearless So baby drive slow 'til we run out of road In this one-horse town, I wanna stay right here In this passenger seat, you put your eyes on me In this moment, now capture it, remember it'Cause I don't know how it gets better than this You take my hand and drag me headfirst, fearless And I don't know why but with you I'd dance In a storm in my best dress, fearlessWell, you stood there with me in the doorway My hands shake, I'm not usually this way But you pull me in and I'm a little more brave It's the first kiss, it's flawless, really somethin' It's fearless'Cause I don't know how it gets better than this You take my hand and drag me headfirst, fearless And I don't know why but with you I'd dance In a storm in my best dress, fearless 'Cause I don't know how it gets better than this You take my hand and drag me headfirst, fearless And I don't know why but with you I'd dance In a storm in my best dress, fearless
